Doing More At

FCJ celebrates another year of growth.

October was a month filled with excitement and giveaways for team FCJ. Though the pandemic made it difficult for us to come together to celebrate FCJ's 34th anniversary, the Marketing and

Communications
Human Resources

Team along with the assistance of the and Executive Departments, felt it was this year's event special.

week, excitement grew as staff members the 12pm and 2pm time slots for the trivia and raffles on Thursdays and Fridays. In addition, the momentum continued with the 'Name the Staff and their location?' competition which was done daily.

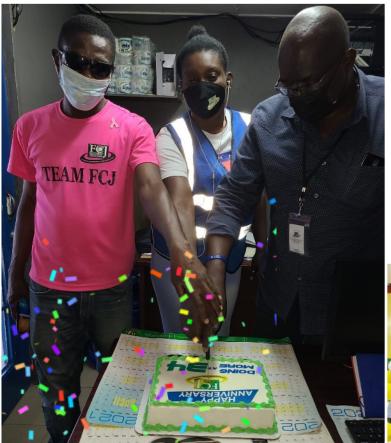

A total of 10 TGIF Lunch Vouchers valued at \$5000 each and 10 Sampar Grocery Vouchers valued at \$10,000 each, were given away through weekly raffles and trivia questions about FCJ. This led up to the finale of two grand prizes of a one (1) day pass to the Bahia Principe Hotel in St. Ann.

The winners of the grand prizes were selected randomly from a bag containing long standing staff members, who have been with the organisation for over 15 years. The winners were Georgette Cruickshank and Dexter Hunter. Surprisingly, Mr. Hunter, who is FCJ's longest serving employee, has been with the organisation for 34 years and Mrs. Cruickshank 21 years.

To cap off the celebration, an official cake cutting ceremony was held at the Head Office, Garmex Freezone and our Scrap Metal locations at Spanish Town Road and Clarendon Park.

On behalf of the Marketing and Communications Department, thank you team FCJ for participating and making this year's 34th Anniversary an extraordinary celebration.

FCJ Doing More at 34'

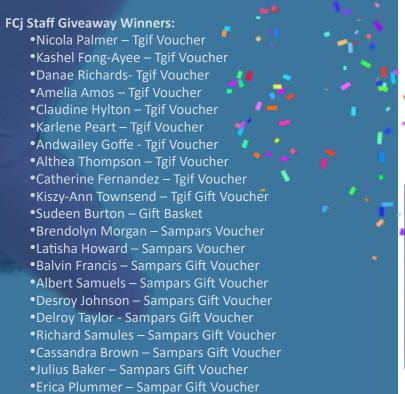

•Dexter Hunter – Grand Bahia Principe Day Pass

•Georgette Cruickshank – Grand Bahia Principe Day Pass

...But the fun doesn't stop there... Stay tuned for the **Deck the Floors Competition** in December.
