36 FCJ's 36th ANNIVERSARY

Managing Director Dr. Donald Farquharson shares the caking cutting occasion with a few longest serving staff members: (L-R) April Jones, Dirquette Cooper and Anne Williams.

At 36, we stand stronger, steadfastly supporting the productive sector through our space solutions. There's no better way to celebrate this milestone than by expressing our heartfelt gratitude to the individuals who continually enable FCJ to maintain its position as the leading provider of space on the island – our dedicated staff. This anniversary is a tribute to our past, our present, our exceptional team, and our valued clients – the collective force that has empowered FCJ's resilience at 36.

The Welfare Committee, in collaboration with the Human Resources and Administration Department, along with support from the Marketing and Communication Department, orchestrated the annual cake-cutting ceremony. This event took place at both Garmex and our Head Office locations.

During this gathering, FCJ Managing Director Dr. Donald Farquharson, delivered an inspiring speech to the team assembled. He encouraged team members to be more visible and engage in various aspects of the company's operations. Dr. Farquharson emphasised that exciting developments are underway, and he urged everyone to seize the opportunity and play an active role.

Meanwhile, at Garmex Free Zone, FCJ Property Manager Kevin Ormsby, conveyed his deep appreciation for being part of such a loyal and hardworking team. Additionally, he recognised the long-serving dedication of team members Dexter Hunter and Linton Stewart, who were present and ceremoniously marked the occasion by joining Mr. Ormsby in cutting the celebratory cake.

Cake time! The Garmex team enjoying the festivities.
